Peeping on Molly

Dear Virgin Territory,

Molly is the slut of my dreams. I liked the photo set of her changing in the locker room in the Oct. '12 issue. Call me a perv, but I've always wanted to watch a girl change in the locker room, especially one as hot as Molly. Of course spying on a girl in the locker room wouldn't give me the great close-up view of Molly's pussy on page 39. Thank you so much for that. I like how I can see every fold in her

pussy. I jacked off so hard to that picture. Thanks so much for all of the hot teens you bring us.—A.J., via email

Dear Anonymous,

It's okay, we're all peros here. And since you like to peep, here's Molly's hot, nude body!

Cowgirl Cunny

Dear Virgin Territory,

With the Oct. '12 Back to School issue you are the best editor in the world! My favorite girl in the mag? All the girls! Alexis is the blonde of my dreams. Pepper is a cute ginger student. Molly likes the gym and sex! Mae is so cute and naive, and her centerfold is perfect! What you said about Ashley is true; she's a perfect young girl! Kiera, yes, I'll lick her pussy and her asshole! Jessi, I love Jessi! She is too cute in her nerd outfit!

What you wrote in the Panty Thief note on page 5 is a strange story. Maybe it's a good idea for a short story or a porn movie with title: The Raiders of the Lost Panty. And the article Wanna Ride by Pauline Worth is so fun with a reference to Canada!

My suggestion: Is it possible to have a photo of the cowgirl on page 54 in an issue of 18eighteen?

The bonus DVD *Tiny Tart* is a high quality porn movie! *Merci beaucoup!* I am impatient to buy the Nov. '12 issue!—P.L., Quebec, Canada

Dear P.L.,

We love the title Raiders of the Lost Panty! As for the cowgirl on page 54 of the Oct. '12

issue, here is a photo of her. If you'd like to see a full pictorial of her check out the July '09 issue of Naughty Neighbors. You can order it online at eboobstore.com. Her name is Little Mindy.

A Cherry for Mae

Dear Virgin Territory,

Please tell Mae that she can have my virginity if she wants it. Yes, I am 42 and still a virgin. I've just never met the right woman to have sex with. It also doesn't help that I am very shy and kind of out of shape. But Mae seems like such a sweet girl. If she were to have sex with me I would treat her like a princess. I don't know how to eat a girl out, but if she were willing to teach me I would do my very best to please her. I can't stop looking at her centerfold picture in the Oct. '12 issue. I want to know what it's like to have sex with someone like her. Please tell her about me. Thank you.—P.Y., Seattle, Washington

Dear P.Y.,

We're sure the right girl is out there waiting for you, and hopefully you'll find her soon. In the meantime, to get a second-hand idea of what it'd be like to bang Mae, you can log into 18eighteen.com to see some of her hardcore scenes.

zine, but I for one am a fan of girls with breasts. Not enormously huge, but how Alexis's are—perky and firm. Her pointy, high teenage breasts turn me on so much. I love the photo on page 20 of her pulling down her bra, seemingly offering up her rack to me.

She is the kind of girl I would have adored back when I was in school,

eager to see her atop a hard pole with her legs splayed open. Hopefully she'll have more than just a banana in her mouth! Thank you so much for this beautiful find.—J.B., Austin, Texas

Dear J.B.,

Don't worry, you'll be seeing hotter action from Alexis in the near future!

Dear *Virgin Territory*,

When I saw the cover of the Oct. '12 issue I thought, *Holy shit!* Who are these two hotties? That has to be one of the best covers ever. Nothing beats two delicious babes in panties! Alexis and Mae are both so hot, but Alexis is the one who really makes my cock stiff.

Alexis is so ripe for the picking. I must have looked at her pictorial more than any other pictorial ever in the history of *18eighteen*. And I think I have jerked off and came to her more than any other girl in *18eighteen*. I think I am falling in love with Alexis. I can't stop thinking about her. I was at the grocery store the other day and I popped a boner in the middle of the canned goods aisle just thinking about fucking her. I could teach her a thing or two if given the chance. Sliding my cock slowly into her tight pussy, pressing my rod in deep till it bottoms out and tickling her clit with my fingers. Then pulling out achingly slow and driving back in hard. Makes my dick drip just thinking about it.

someone who I'd bend over backwards for. A fine piece of ass like her could have anything she wants.

It sounds like she's already in touch with her sexuality. I hope that means we'll be seeing her do hardcore. I'm

An Ecuadorian reader loves Pepper and her pretty, red hair.

Please tell me she does hardcore. I would be absolutely heart-broken if she doesn't.—R.E., via email

Dear R.E.,

Alexis does do hardcore! See her in the movies *Glazed Teens* and *Cotton Tail 2* (the preview of which starts on page 12). Order them on page 9!

Pepper's Ginger Magic

Dear *Virgin Territory*,

I have just moved to the United States from South America so please excuse me if my English is not good. I lived in Ecuador for many years. Now that I am in the U.S. I have found your magazine and I really like it. There are so many beautiful girls that I would have never even imagined back in Ecuador. Thank you for such beautiful girls. I really like the girls with red and blonde hair. Every magazine should have a girl with red hair in it. My favorite is Pepper from the Oct. '12 issue. I find her very sexy. I like girls like her.

Please tell Pepper that I am her biggest fan. I want to go to the university so I can meet a girl like her. She is so beautiful she should be in movies. I like her socks and shoes too. They remind me of the way girls would dress when they went to school in Ecuador. I don't know what you call her toy in English, but I like to see her use it. She looks very sexy with it inside her. Girls with small breasts like hers are my favorite. I see she is from California. One day I will have to go there if such beautiful girls live there. I hope that you put Pepper in your magazine again, and please,

more girls with red hair. They are so beautiful.—M.C., Miami, Florida

Dear M.C.,

We're so glad that you've discovered 18eighteen and are enjoying it. Many readers here have an affinity for redheads. So here's a bonus photo of redheaded Pepper just for you.

Kiera is a pro at fingering her pussy and making it look hot.

Cute and Sexy

Dear *Virgin Territory*,

Kiera is where it's at. She is so fuckable and has an amazing ass. Does she do hardcore? Where can I see a video of her? I need to see this pussy in action. Everything about her is perfect, even her asshole! Man, I would rim the hell out of her ass. She looks like she tastes like candy. I don't want to sound lame admitting this, but the

Cotton Zail #2

**6 Tight teenies
soak their panties!**

These teen girls may not be ready for thongs, but they sure are ready for cocks! The six babes in this movie still wear white cotton panties that absorb all of their horny juices and their fresh pussy scent. Each of them catches a guy sniffing their panties. Instead of getting mad, the girls let them smell and taste straight from the source. It leads to lots of tight teen slits being stretched out by fat cocks. Morgan's huge twat lips hug a cock as it thrusts into her, and the sweet aroma of her 18-year-old pussy fills the air. Ava is so sweet and shy until she gets her hands (and mouth) on a cock. She fucks her sister's boyfriend and gets a big load all over her bald mound.

AVA

STACI

ALEXIS

The smell of their wet panties drives guys wild!

Staci is a mega babe with tons of sex appeal. Her pussy smells like butterscotch and feels vice tight. She seduces a guy in her cute cotton undies and purrs like a kitten as she cums. Alexis is another super hottie who gets turned on when her guy smells her panties. He gets hard, and she puts her already-wet pussy to use by sliding it up and down his rod as her perfect titties bounce in the air.

Even anal is on the menu!

Katie has a tight body, a honey cunny and a lust for cum. In this scene, it's her birthday and she gets a new pair of panties from her boyfriend. She puts them on and soaks through them. To thank him for his gift, Katie gives up her tight cunt for some hard fucking! Bella has the hots for the foreign exchange student staying at her house. She lets him penetrate her pussy and even her tight, little asshole!

If you're a regular reader, you know Jessi is one of the hottest girls!

first thing that drew me in about Kiera was her pretty face and her big eyes. Then I noticed how fucking hot the rest of her was. In addition to being cute she is simultaneously sexy as hell. Most girls are usually either one or the other. She has an amazing body to match that pretty face of hers. In fact, I think she is the hottest girl in this issue both in her face and body. She really is the complete package. Kiera is probably the hottest girl in all of Idaho. I'd love to see her with a creampie oozing out of her cooter. I hope to see more from this hottie in the future. Thank you for always bringing me the best teens, *18eighteen*. Kiera is just more proof of how much you rule.—S.W., Albany, New York

Dear S.W.,

We don't have footage of Kiera fucking, but if you would like to see a video of her masturbating head to 18eighteen.com!

The Ingenue of Your Dreams

Dear Virgin Territory,

There were hot girls in my school when I was growing up, but I never remember any of them being as hot as Jessi. She's out of this world hot. Like the kind of girls you see in the movies or something. She was looking fine as ever in the Oct. '12 Back to School issue. I think if you put all the *18eighteen* girls in a movie, Jessie would be the star and the main girl. The leader

Teen Girls Get Into The Holiday Spirit (And wait till you hear what "gifts" they're giving!)

ARTICLE BY KATY TERREGA

Yes, it's getting to be that time of year again—the sometimes dreaded, oftentimes revered holiday season, complete with silver bells, chestnuts roasting on an open fire and, of course, mommy kissing Santa Claus under that strategically placed mistletoe. Of course, for the Scrooges among us, it's time to mumble and grumble our way through yet another round of shopping, office parties and obligatory family dinners.

But, hey, 'tis the season to be jolly! And, if you're a teenage girl enjoying your first Christmas as a full-fledged "adult," well, it's the season to revel in your newfound freedom as well.

I sat down with a group of these cute, young things recently to talk

Several of these teen cuties are contemplating giving up their virginity as a "special gift."

about the upcoming holidays and, as usual, got quite an earful.

More grown-up than the girls I usually talk to, each of these 18-year-old hotties has a steady guy, and two of them are even living on their own. What with

their "involved" status, as well as the fact that most of them are just finishing up their first semester at college, they're seeing this holiday season in a whole new light. These young gals have big plans, and were more than happy to share their holiday spirit with *18eighteen!*

Brooke, a pretty, pale-skinned, chubby-faced Londoner, happened to be vacationing in the States when I was looking for girls to talk to, and she was a great

addition to our group. The sexually experienced, bubbly English cutie had just moved into her own flat a few months before and had plenty to say about the holidays in the UK and how she was planning to celebrate Christmas with her (much!) older boyfriend.

Petite and oh-so-innocent Julianne was all eyes and ears during our interview. It was obvious that this sweet, virginal girl learned a lot from our revealing talk and, luckily for her boyfriend, she appeared willing to put some of her new knowledge to good use.

Leah was another of our virgins, although she's had her fair share of sexual experiences. Dark and exotic-looking, she gave us all a revealing glimpse into Hanukkah, and she gushed about her bad-boy Jewish boyfriend who, according to Leah, has arms like an octopus and an enormous dick!

Lucy, looking pert and totally sexy with her blunt-cut dark hair and her matter-of-fact ways, was one of the most "experienced" of the group. Living on her own and hanging out with a boyfriend 10 years her senior

has given this girl a healthy confidence about her sexuality, and she wasn't shy about talking about it.

Alyssa lives at home, but her parents are pretty casual about rules, so she's had plenty of time to experiment sexually. She hasn't quite gone

more. I do like all the holiday food, but that, along with the presents, are really the highlight for me.

Brooke: God, I know what you mean about Santa Claus! For me in England it was Father Christmas, and I cried for days when I found out

looking forward to decorating—you know, getting a little tree and doing everything just the way I want to.

Leah: Well, I'm Jewish, so we celebrate the whole traditional Hanukkah thing. I guess I'm excited, but not as much as I used to be when

"I can't imagine his big thing fitting into my pussy!"

all the way—yet, that is—but this striking blonde beauty has some big plans for the holidays, and for her new boyfriend.

Join in on our little talk to find out what Alyssa and the other girls have planned, as well as what they think about the holidays, their boyfriends and, oh, yeah, sex!

So, are you girls excited about the upcoming holidays?

Julianne: Oh, I am totally psyched! I love Christmas! It's, like, my favorite holiday of the year, better than my birthday even. I love everything about it: all the decorations and the shopping and the presents and stuff. And I really like Christmas carols, too. I belong to my church choir and I think all those songs are just so pretty. My dad laughs at me; he says I should act my age, but I don't care if they bring out my inner kid. I just really like the holidays!

Alyssa: I like the holidays, too, but not as much anymore. Once I found out there wasn't a Santa Claus, I got kind of bored with it, I guess. I mean, it's fun and all, and I like certain parts of it, like the presents. But I don't get all giddy about it anymore. And ever since my two older brothers left for college, my parents have been kind of laid-back about Christmas, so it's not really that big a deal for our family any-

he wasn't real! I was totally ticked off at my mum for weeks after she told me. But I still love Christmas. It's all warm and cozy and the food is brilliant. I look forward to it every year.

Lucy: Yeah, me, too, although now that I'm on my own, it's a little dif-

I was little. Now it's kind of boring. All these family rituals and everything. I'd rather be out partying with my boyfriend and sucking his cock!

Speaking of which, I want to hear about your boyfriends.

Leah: I've been going out with this guy from our synagogue for, like, six months now, and my mom is so happy. She thinks he's such a good Jewish boy. If she only knew! Ben is a total bad boy. He keeps trying to talk me into having sex, and it's like he can't keep his hands off me. But I don't mind 'cause the things he does with his hands make me feel great! And he's taught me a ton of things, like how to give a good blow job and stuff. He's got this really big, circumcised dick, so big I can hardly fit it into my mouth! That's why I don't know if I'm ready to have sex yet...I can't imagine his big thing fitting into my pussy!

Alyssa: My boyfriend is uncircumcised, but I only found that out last week 'cause that's

the first time I gave him a blow job! It was my first time ever. I've given hand jobs before but that's way different than putting it in your mouth. And even though I've seen a couple of penises before, I'd never seen one

Continued on page 42

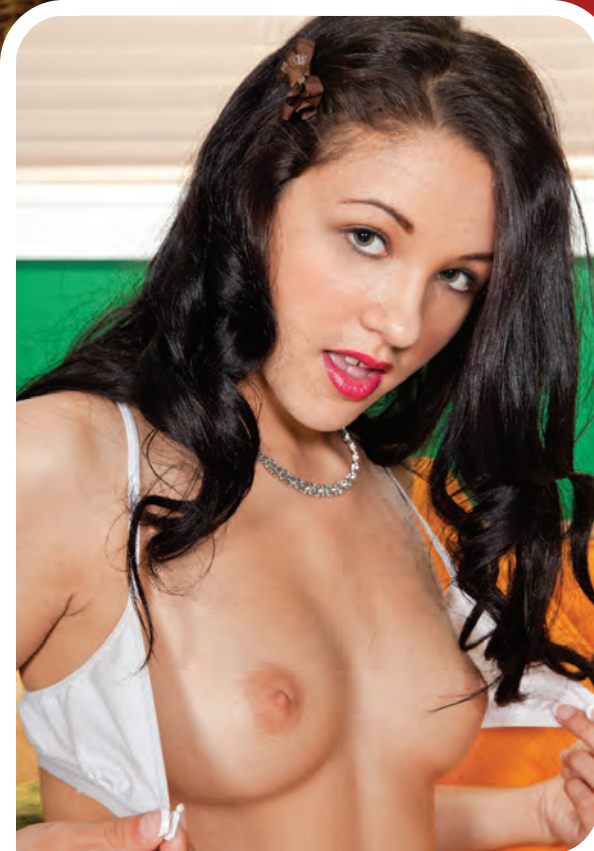

ferent. It's, like, I don't have my mom there to take care of everything anymore, you know? She was always making a big deal out of the holidays and waking us up early on Christmas morning and everything. Now, it's up to me. But I'm totally

**Welcome, Morgan.
Aren't you just the
perfect little
Christmas gift?**

"Thank you! I'm actually giving myself as a Christmas gift to my boyfriend in a way. I'm going to swallow his load. I never do that, but I want to show him that he's special to me. And I think I'm gonna let him do me in the butt, too! He really wants to try it, and I'm curious."

Are you nervous about getting it in the butt?

"Not really. I read on the Internet that it feels really good as long as you're relaxed and that you can have really good orgasms from it. And I'm all about really good orgasms!"

How come you never swallow a guy's cum?

"You have to be special for that. So when I do it for my boyfriend, I'm gonna stick out my tongue and show him the cum all over it. Then I'm gonna swallow!"

We love your puffy nipples, Jodi. Do the guys you mess around with like them?

“Most of them don’t really notice, but I’ve had like, two guys who commented about them. They told me that I had really cute, puffy nipples and they always wanted me to send them pictures of my nips at their puffiest. I didn’t know guys like that!”

Jodi
FLAT & PUFFY

Yes, some guys like puffy nipples. We also noticed that it looks like you're growing out your pubes. Are you?

"Yeah, I want to have a little bush! I always shaved but I'm getting tired of it. Also, pubes are coming back in style now. Before all my girlfriends shaved, and now a lot of them are rocking bushes! I went down on a girl who had a bush and it was actually nice. Her pubes were so soft and cute. I was like, I want this!"

Do you think you'll have a bush forever or is it possible that you might go back to shaving? Do the guys you bang have any preference?

"I think as long as you're giving guys pussy they won't complain! And if they do, then fuck them! Just not literally. And I might go back to having a bald pussy. But if I do, I'm totally gonna wax because I am so over shaving. If it's bald it's gotta be super smooth!"

that wasn't circumcised. It looked kind of weird at first...until it got hard, that is. Then it looked just like the others I'd seen. And the whole thing was cool 'cause it was pretty easy and he came really fast. He says because he's not "cut," his dick is a lot more sensitive than other guys who are circumcised.

Julianne: Oh, my God! You guys are so wild! I've never even seen Scott's dick, let alone touched it. Well, I mean I've felt it from the outside of his jeans and all 'cause he loves it when I rub on him like that, but that's all. He's a great kisser, though. He kisses real slow at first and then he gets real intense and uses his tongue. It always gets me so excited I get a wet spot on *my* jeans. And sometimes I'll let him rub me there, but only on the outside.

Brooke: Not me! I let my boyfriend rub me all over. He is so cool. He's just a working-class bloke, but he's very sweet to me. He's a lot older, though...he'll be 40 next month! My mum thinks I'm a total perv, and she says that Johnny's just out for a shag, but I don't care. I mean, since I got my own flat a couple of months ago, it's not like she can tell me what to do anymore. And besides, I like to shag, too!

Lucy: [Laughs] Exactly! Why else would we have a boyfriend, anyway? My boyfriend's almost 10 years older than me, and he's a way-good lover, a lot better than the last one I had. He was only 20 and he didn't have the slightest idea what to do. I mean, he couldn't even find my clit! But I haven't told my mom and dad how old he is...they'd have a hissy fit! You know, overprotective parents and all. They still think I'm totally virginal. I don't know why...what did they think I wanted my own apartment for? And they'd just die if they knew even half the things that Luke and I do.

So, will you spend the holiday with your guy?

Julianne: I'll see him the day before and the day after, too, but Christmas is, like, this really big deal

Staci, you're so hot! You must have guys lined up around the corner.

"I wouldn't say they're lined up around the corner, but I do go on a fair amount of dates. I still haven't found that special someone but I'm having fun!"

If a guy wants to catch your interest, what kind of date should he take you on?

"I don't want to go on any cheesy dates. I love to try new things, and I love being swept off my feet. Anything with adventure and great sex at the end of the night sounds good to me! If we went sky diving and then had some crazy sex afterwards I'd probably be in love! And if he or she wants to do me right, they should manhandle me and fuck me till I can't move and my legs are shaking. I guess I'm a little wild and I like the people I date to be able to keep up with me! I don't like when things get boring so I try to keep everything as fresh and exciting as possible."

You said you like to date guys and girls. Have you ever done a girl before?

"Absolutely! Some of the best sex I have ever had has been with girls. I guess girls just love a woman's touch. I sure do! I've even had a three-way with girls before. Two of my female best friends wanted to try something new, so I led the way. It was so hot kissing both of them at the same time. They were both melting when I went down on them, and they told me I made them cum better than any guy. Then I taught them how to eat pussy really well. Not to toot my own horn, but I think sex with guys and girls is my special talent."

Kirin, we wouldn't have guessed you were the type to go for the janitor.

"Well, I am! It's not like he's one of those gross janitors anyway. He's pretty cute! The floor isn't the only thing that's slippery when wet. My pussy starts dripping whenever I see him. I'd always make sure to wear a short skirt and flash my panties so he'd notice me. He noticed, but never made a move. A few months passed and I was getting tired of the peekaboo game. I wanted to fuck!"

How did you seal the deal?

"I stayed late after school one day and went looking for him. When I found him, I cornered him and pulled him into a closet. I told him to touch my pussy. The next thing I knew he was fucking me on the floor!"

Did he make you cum?

"Oh yeah. I got on top of him and started riding him and came so good. He has such a big dick, and he knows how to use it! He gave me a pretty big load of his own, too."

for my family and I've got to spend the whole time—from Christmas Eve to late on Christmas night—with them. It's fun, though, and my mom makes a ton of food and we have a really good time. But I'm sure gonna miss Scott! I told him I'd bring him a bunch of goodies the day after, and he's really looking forward to it big time. He loves my mom's cooking.

Alyssa: Yeah, my boyfriend Chris is gonna hang out with us, too. His family kicked him out a long time ago, like, when he was 16, so he doesn't really have anywhere else to go. He's kind of weirded out, though, because we're all vegetarians and he can't figure out what we're going to eat! I told him that we'll have everything but the turkey, but he's not so sure.

Leah: Oh, Ben will be with us for the whole thing, all eight nights. After all, my mom thinks he's just the greatest ever. Boy, does he have her fooled! He's all proper and polite around her, but when he gets me alone he's like an octopus! That time I gave him a blow job, that was on my bed after he'd had dinner with us. It was like we could hear everybody laughing and talking downstairs, and he had his hands down my pants while I was doing him. God, it made me so wet!

Brooke: My boyfriend has to be with his family all day, and I have to be with my folks, too, which is a total bummer. But he's going to come over to my flat that night, and I told him I'd save some Christmas pudding for him, and some Christmas pussy as you Americans say! At least we get to spend all the next day together, and that'll be fun. In Britain, we have an extra day off after Christmas. It's called Boxing Day, and we sit around and stuff ourselves with leftovers and watch *The Wizard of Oz* on the telly. It's great fun! But the best part will be shagging till we're red in the face! My boyfriend has the nicest cock and I just miss it so much.

Lucy: Ooh, I'm totally jealous! I have to go straight back to work the day after. And I have to work the day before, too. It's like I hardly even have a break! But since my parents

moved out of town as soon as I graduated—it's, like, they were dying to move to Florida...they didn't even wait a week! I get to spend almost the whole day with Luke. He's got to go to his Grandma's house in the afternoon, but then he's going to come to my place and we're going to do a dinner for just the two of us. And then we'll probably do each other, too!

What are you hoping to get from your boyfriend?

Alyssa: A vibrator. No kidding, I asked him for one! I mean, I've been wanting one for, like, forever, but there's no way I'm walking into one of those nasty, little sex stores on the strip. And I don't have a credit card, so I can't even order one on the Internet. So, I let him know that if he got me one I'd be so grateful. I mean, I'm always so horny and he can't always be there to finger me when I need it. So a vibrator would really help me out. But he better not leave it under the tree...although now that I think about it, my mom would probably think that was a hoot.

Julianne: Oh, my gosh, I'd be way too embarrassed to get a vibrator from my boyfriend! I'd kind of like to have one, though. One of my friends told me that it gets her off way better than when she uses her fingers, but still. Then he'd know that I play with myself when he's not around! What I really want from Scott, and I know this is really stupid, is a ring. I mean, we love each other and everything, so I'm thinking maybe this is the one. And it would be so romantic!

Brooke: That's not stupid, Julianne. That's sweet! But trust me, he probably already knows that you play with your cunny...all us girls do! Johnny likes to rag on me because he knows how much I like to play with my pussy, but I don't care. I mean, he's walked in on me masturbating so many times that now I just let him watch. Of course, then he usually wants to get busy with me, too! But he doesn't have much money, so I told him to just get me something small for Christmas. I know he fancies me well enough, so I don't really care what he buys. The sex we'll have that day will be all the present I need!

Lucy: Yeah, I'm the same way. But

Luke makes pretty good money, so I know he'll do something nice. We were at the mall the other day and he was kind of hinting around, asking if I liked this and that. Now that I think about it, though, I wouldn't mind a dildo...you know, one of those really cool glass ones that you can find on the Internet. They're like, way expensive, but they're supposed to feel really good inside of you, especially if you put 'em in the fridge first! And I kind of like that you can sort of see the inside of your pussy when you put one in.

Leah: No way would Ben give me a dildo for Hanukkah. He'd want to give me the real thing instead! I'm sure he'll give me some sweet presents that will impress the heck out of my mom. He's good at little things like that. I hinted that I wanted some sexy lingerie, so hopefully he'll get me something that I can wear for him in the bedroom!

And what will you be giving him?

Alyssa: Okay, this is gonna sound kind of bad, but I couldn't think of anything really good to get for Chris, especially because I don't have a whole lot of money. But I really like him...he's sweet, and I want to do something big. So then I realized that I've got one really special thing I can give him—my virginity! I know... what can I say? I'm a slut! But I've got it all figured out. Like I said, he's gonna spend Christmas day with us. So, I'll just talk my mom into letting him spend the night on the couch or something—she's always really cool about that—and then I'll sneak out later when everyone's sleeping and seduce him. I can hardly wait! When he fingers me he always tells me how tight I am. So I think it'll feel really good for the both of us.

Lucy: Damn, girl, that sounds like fun. I bet he's gonna remember that present for a long time. Too bad I already gave mine up! And giving sex for Christmas is free, too. Maybe I'll buy a sexy, little, red teddy...with fur trim! Then I'll tell Luke I'm his present and he has to unwrap me! Then I'll give him an amazing fuck and suck he'll never forget.

Julianne: You guys are so brave! I'm way too shy to do anything like that. Plus, Scott would freak if I did

Panty Contest!

Send us a letter telling us why you want to win **Sindy's** panties. The winner will receive her undies and be announced in the June '13 issue. Send letters to 18eighteen, 1629 NW 84th Ave, Miami, FL, 33126. Send emails to letters@18eighteen.com. Deadline is December 27, 2012.

Welcome, Sindy! We love your braces. Tell us a little about yourself.

"Thank you! Well, I love to go out and party and have a good time. I also like to go to festivals and one of my hobbies is doing light shows. That's where you spin lights or fire that are tethered on a string while dancing and stuff. It's also called poi."

That's pretty cool! So you must be an adventurous kind of girl.

"I guess you could say that. I'm not afraid to try new things, and if there's something I want I just go for it. Like the first time I had sex. I wanted to lose my virginity really bad so at this party I pulled aside this hot guy I'd seen at school and told him to meet me in a bedroom. I mean I was a virgin so that was kind of out there. We went up to the room and he popped my cherry, and ever since then I've been hooked on trying new sex things. Another time I was in a tent with two other girls and a guy, and we sure showed him a good time."

Have you ever had sex in public?

"For sure. The best is when you're on the beach and people pass by and see. And some of them will stop and watch! I love to see their reactions when they first realize that there are people fucking nearby. And to be honest, sometimes I'm just so into the sex I don't care if anyone can hear or see me. Once I had sex at a festival where I was doing a light show. I didn't realize I was being so loud until I noticed that lots of people were standing there watching us!"

So he's turned me on to pubic hair and to older fellows as well. Before the oldest bloke I'd dated was in his twenties, but now I want to shag every silver fox that I see! I bet they're all tremendous in bed."

How is your boyfriend in bed?

"Brilliant! I've never met anyone who was so passionate. He drives me crazy and makes me want to try all sorts of things that I would have never considered before. For instance, I let him lick and touch my arsehole. Before I would never let anyone go near there! We even went into the bathroom of a restaurant and shagged. You'd think that a man who is 50 would be settling down, but things just keep getting wilder!"

something like that. Anyway, I've already picked out what I'm getting him. It's not very fancy. It's just a tool box, but he's been wanting a new one for a long time, so I know he'll like it. But you know, if he were to get me a ring like I'm hoping for, well, maybe I *would* do something like what you guys are talking about. It sounds like fun!

Brooke: Now that's the spirit! And don't worry, he might think you were being a bit of a tart, but he'd like it well enough. After all, he's a bloke, right? I'm just going to buy Johnny some jerseys and such. He really needs them because it gets so bloody cold in London and he has to ride the tube to work. But maybe I should do something kinkier, too. I know...I could offer up my arse! He's been hinting around that he wants to do it that way, so I know he'd like it. And to be totally honest, I've been curious about it, too!

Leah: Those are great ideas! I was just going to get Ben something boring. Like, there's this new computer game he wants. Gag me! But after talking to you guys, I'm thinking I kind of like the idea of giving him my virginity. Ooh, I know. I could make him wait the whole eight days of Hanukkah. The first night maybe we could just make out. And then maybe I'll let him lick my pussy or something on the fifth night. We'll be so horny by the eighth night we won't be able to stand it! I mean, offering up your virginity is a pretty good gift, right? I think it's as much a gift for him as it is for me!

We're sure you're right, Leah. And from the sound of it, it's obvious that you're all going to have a fantastic holiday season, as will most of those other lucky guys. Even though these grown-up honeys already had special plans for the big holiday, talking with the other girls obviously gave them plenty of inspiration. And it didn't hurt that it seemed to bring out their inner sluts as well! VIRGIN TERRITORY

Continued from page 19

of the pack. I have her movie *Teen Rectal XXXams* and I love her scene in it. She really knows how to rock a cock. I know she has another hardcore scene because I saw the layout in your magazine. I really hope you decide to put her in another movie. Like I said, she is a star and deserves the leading role.—B.D., Prague, Oklahoma

Dear B.D.,

The other hardcore scene that you speak of can be found on 18eighteen.com.

Ashley's Allure

Dear Virgin Territory,

I could take over the world with Ashley. She looks like a sexy, young Bond girl. I would love to get in trouble with her. She isn't the type of girl I'm usually attracted to, which makes my lust for her all the more intriguing. Normally I go for more wholesome type of girls. Someone like Kiera or Rilee (both of them are favorites of mine.) But something about Ashley is so mesmerizing. Despite how seductive she is there's still a youthful freshness in her face. She is just flawless.

Her pussy so looks so tight. The way she's spreading it open on pages 69 and 71 turn me on like mad. Her pussyhole is so tiny you can barely see it. And I like the way that her little labia are dark but her pussy is

Ashley has a pretty, little slit to go with that pretty face of hers.

pink. It's a nice contrast. It's hard to imagine a cock even being able to fit in such a small space. I'd sure like to try though. Ashley is a first-class babe who deserves the best. If I had her or a girl like her I'd be on top of the world.—F.R., via email

Dear F.R.,

Ashley is pretty amazing. We were also quite taken with her tiny, little pussy. Check it out in the bonus photo here. How does she even fit a finger in there?

Grade-A Teen Ass

Dear Virgin Territory,

Jenna is so cute. For a little while I was worried she wouldn't do hardcore. I thought she might just be one of those models that does lezzie stuff. (And her lezzie layout with Rilee was incredible, by the way. Best girl-girl layout I've seen yet.) So it was with great pleasure that opened your Oct. '12 issue and found her sucking a cock right there on the contents page! Her layout was such a scorcher! Everything about it ruled. The blow job shots were hot and not awkward at all. Her spread-out buttohole looks

so enticing. Great penetration shots and a nice, big, full-page cumshot. That's the way it's done. Jenna gets an A+!—M.S., via email

Dear M.S.,

Thanks! Jenna really enjoyed her shoot and will be thrilled to know you liked it!

Jean on a Prick Pedestal

Dear Virgin Territory,

This year's Back to School issue may be one of the greatest magazines that I have ever seen. It has so many

beautiful girls, truly your finest collection ever! It was so hard for me to pick, but I think my favorite girl is Jean. Her hardcore layout was absolutely perfect for the Back to School issue. She still looked adorable even with those nerdy glasses on! The big photo of her sucking that big cock in page 89 is CLASSIC! Amazing. I can tell her mouth is getting stretched out just trying to take it down! I love seeing tiny girls like her fuck cocks that are half their size!

I love that Jean has braces, but hon-

estly I think she would still be cute without them. Those dick-sucking lips of hers look amazing, and I can just imagine what it would be like to slip my cock in between them, probably so soft and cushiony. Like two fluffy pillows! I also love Jean's tiny tits and her itty bitty pussy. I must commend you on the hardcore penetration photos. Jean is absolutely getting filled up by that big ol' dick! I'll never understand how such petite girls can take such big cocks. Not that I'm complaining; it's great! Jean is a sex goddess and the big dick she's sitting on is her pedestal.

I would love to see Jean's backdoor pucker penetrated by a big cock like that. That would truly be the ultimate sight to behold. I'd be so happy to see that, but for now I am so grateful that she does hardcore at all. Anyway, I hope to see much more of this beauty in your mag! You know how to please a guy, *18eighteen!*—M.O., via email

Dear M.O.,

Sadly, we don't have Jean doing anal. But if you'd like to see her in hardcore action, you should check out the video

After School Slut Club 2, available for order on page 9.

Dear Virgin Territory,

Thank you times a million for Jean's hardcore scene. I loved it because Jean is a great model, but also because I fucked a girl in the principal's office once too. So for those who may think it's far-fetched, it's not! Of course things were a little bit more

relaxed back in my day, so it was easier to get away with. I certainly was no football captain with such a huge cock, but it was a fond memory nonetheless. But to be honest, I had forgotten about it (I'm an old fart) until I saw Jean's pics! Thank you for helping me relive that memory, and with such a fine girl as Jean! It provided me with wonderful jacking material.—R.W., Berlin, New Hampshire

Dear R.W.,

Awesome! Thanks for letting us know that sometimes fantasies do become reality, or in this case, reality became a hot fantasy for a pictorial.

Keep Them Nude

Dear Virgin Territory,

Just a note to comment on reader E.C.'s comment in the Sept. '12 issue, or rather, on your response to his suggestion that the girls better not strip and keep their skirts on, which you can't wait to implement soon: PLEASE DON'T! DO NOT!

I hate it when girls keep on stuff above the waist. Actually it's a total spoiler. Any such shots I consider just a waste and I usually skip through them. One page of completely and partially dressed pics is fine as a teaser, but that about does it. If the girls should keep something on, why do I see stockings so rarely? That wouldn't be so bad. But then, some readers may not like that, so I think totally nude is pretty "safe." At least half of the pics should be like that.

While I'm at it, let me just skim through the rest of the issue: Tracey could be sooo hot, but the bush-way gross! And finally, a great cum shot! Fendy is beautiful but has tame shots, and pubes still suck! Lexee is perfectly shaved (or waxed?), very sexy! The first three pages of Hayden and Elle were a waste, but then page 69! Please, more of that! Mandy: again, first three pages a waste. Jayden had great shots except the blow job pic. It was awkward. Karmen is a great girl, great pics (but haven't I seen those exact pics before?). Catie is another beautiful girl with tame shots. She needs to spice it up. Lexa had just one great shot on page 82. Jessi had terrific front, rear, and cum shots, but once again, awkward blow job!

Anyway, nobody's perfect but 18^{eighteen} magazine still gets fairly close, so please keep up the good work and let your girls stay nude.—E.S., via email

Dear E.S.,

Thanks for writing in. When responding to E.C.'s letter we did not intend to start solely shooting models still wearing skirts for part of their hardcore scene. It was just something to experiment with. We assure you that our girls will be naked in just about all the hardcore scenes. 18

Welcome back, Sydney. You were just in the Nov. '12 issue and now you're already fucking!

"I know! I wanted to ride a cock as soon as possible in front of the camera. I knew I would love it, and I was right. Getting fucked by a big, hard dick has to be my favorite thing in the world! Getting my pussy eaten and sucking cock are pretty awesome, too. I know I haven't been having sex for that long, but I'm already so comfortable with it and having amazing orgasms all the time."

What kind of things turn you on during sex?

"The biggest turn on is when I turn the guy on. I'll do whatever it takes to make him horny. I also like being told what to do. Nothing makes me hotter than when a guy is giving me commands and telling me exactly how he wants me to suck his dick. I'm kind of submissive. I feel the man should be strong and in control. He tells me what to do then he fucks the shit out of me."

**For such a small girl you
sure can handle a big cock!**

"Honestly, I don't know how I do it. Sometimes when I finger myself or look at my pussy in the mirror, I think it feels and looks so tight! I don't know how such huge cocks manage to fit in there."
